

TINDER PASSPORT
Tinder made swiping globally free. I asked seven match's how they are doing on seven diferent continents.

Hey, I see you are pretty far away! What's the world like over there? How are you?

Hmmmmm how am I.... a pretty interesting blend of peaceful/ anxious/sad/chill/relaxed is fairly accurate

it's honestly kind of crazy and a bit apocalyptic. we have the highest death rates in the world rn so i'm staying inside indefinitely

spending my day watercoloring and sketching! how's it going over in your world?

Haha I was just thinking about how much the world will change

I can imagine it's about the same as it is for you, we're all just trying our best to self isolate. I'm doing okay given the circumstances. How are things with you?

Hi there :) I'm doing well!! Staying inside and trying to use this time wisely. It's currently raining so I don't mind being stuck inside too much haha. How are you?

Hey my dude my guy! I'm in dc living my nihilistic dream until all this shit is over

But I'm pretty wonderful at the moment
