BANDS CAN'T TOUR, VENUES CAN'T OPEN, ARTIST, ARE losing AID.  
\$13B COULD SUPPORT A LOT MORE PEOPLE THAN A SINGULAR SPORTS GAME WHILE STILL REMAINING SAFE IN A GLOBAL PANDEMIC.

# ART, MUSIC, & VENUES

PERSONALLY... ART AND MUSIC MY FRIENDS HAVE MADE HAS HAD A LARGE IMPACT ON MY MENTAL HEALTH, COPING WITH THE WORLD, AND CONFRONTING PROBLEMS. INSTEAD OF JOCK GLADIATORS, LETS FUND THE DREAMERS, VISIONARIES, HUMANITY.

THIS IS BULLIED LIST ABOUT SPORTS

-I GET IT, SPORTS ARE A DISTRACTION FROM THE WORLD & PERSONAL PROBLEMS.  
-IT GIVES PEOPLE AN IDENTITY AND A COMMON ENEMY, IT'S GLADIATOR SHIT. "HEROS"  
-AT WHAT POINT IS THE FAME, MONEY, ENERGY, AND FOCUS ON A DISTRACTION HARMFUL, WHEN IT COULD BE GOING TO SOMETHING MORE BENEFICIAL?  
-WE HAVE BUILT ELABORATE SYSTEMS/PLATFORMS, WHAT IF IT WAS FOR THE OTHER 73%.

My zine idea for this week is stumping me. I want to talk about sports and how they are dumb. I was going to say it is a great distraction which is good, but they are getting away with a lot covid wise and a ton of money.  
Then I want to say something about how art should get some help also. But this zine is hard to make.

Ah I do agree with that! What bugs me as a sports lover is that it's ridiculous it can't just be postponed. There's been no baseball twice in my life due to strikes, but with a pandemic they still play?

Yeah totally!! I mean I'm still not going to patios and do nothing, but thousands of people will do that against scientist recommendations. So wild to me!

Also now I kinda want to just screenshot this conversation. Haha it's better than anything I made so far!
